Happenings in the LC:

The calendar says Spring, but clearly there is some climate confusion taking place!

A big “Thank You” goes out to the Activities Club and all supporting volunteers for providing another annual Easter Egg Hunt that is a fun, free, family event made possible for our community by the time and generosity of others. Thank you!

Some important information and upcoming dates to mark on your calendars:

- Ballots and information pertaining to the Special Assessment on the pool have been mailed. There will be a Special Meeting of the Membership for the vote on the Special Assessment of the Pool to be held on April 15 at 2:00 PM at the Illini Bluffs High School Theater. Please see the details in your supporting documents mailed with your ballot to explain methods of casting your vote. Sealed ballots will be opened and tallied at that meeting.
- Parking Lot Variance (Please see article on Page 8 regarding the details of the Parking Lot variance.
- **Committee needs:** In order to update and modernize our webpage, we are looking for volunteers to join our **Webpage Design Committee**. Please contact Chris Mackesy if you have interested in being a part of this much needed upgrade/redesign.
- A committee will need to be formed for the upcoming special election of board members. There will be three vacancies. Two vacancies are the result of recent resignations and the third vacancy arises from Carol Benson-O'Connor meeting the criteria of “filling a vacancy”, per the Illinois Statutes, from the previous resignation (April 2017) of a board member.
- Interested individuals who would like to serve on the RTA Board of Directors for the Lake Camelot Community can download the Candidate Letter of Commitment from our camelotrta.org webpage, stop by the office for a copy, and/or contact a current Board Member for assistance. More definitive time-lined dates will be forthcoming.

BOATING REGULATIONS

1. General Regulations

- (a) Only water craft owned by Lake Camelot Subdivision lot owners and members of Camelot Round Table Association (RTA), who are in good standing, will be allowed on the lakes.
- (b) Any watercraft deemed unsafe by the RTA Board will not be allowed or registered for use on the lakes.
- (c) The number of persons carried, load carried, equipment, (e.g., life preservers, etc.), shall be in accordance with the U.S. Coast Guard Regulations and builder's recommendations.
- (d) No boat will be allowed on the lakes after sundown without proper lights. These lights must be turned on from dusk to dawn.
- (e) For LAKE CAMELOT (upper lake). All gasoline powered engines must be raised or covered. Boat motors can be used for loading boats onto trailers at launch areas.
- (f) On LAKE LANCELOT (lower lake), traffic flow for all watercraft must be in a counter-clockwise direction.
- (g) Watercraft occupants will not deposit debris of any kind into the waters of the lakes or dock areas.
- (h) Deliberate wake jumping by boats and personal watercraft shall not be permitted.
- (i) Every boat operator is required to know and follow the regulations of the State of Illinois Boat Registration and Safety Act, the U.S. Coast Guard and the Department of Natural Resources. The preceding regulations are incorporated by reference into the Rules and Regulations, and therefore, any violation shall be considered a violation of the Rules and Regulations.

2. Registration of Water Craft

- (a) Any watercraft of a property owner that is propelled by oar, paddle, foot pedals, sail or mechanical motor must be registered with the RTA annually. To register a craft, the standard RTA registration form and the Lake Camelot Watercraft Acknowledgement Form must be completed and submitted annually along with:

The original registration issued by Illinois (or the State in which the lot owner resides), if registration is required by the State, and a certificate of marine public liability and property damage insurance, if the craft is equipped with a motor exceeding 10 horsepower.

Minutes – Infrastructure/Long-Range Planning Committee (ILRPC)

Tuesday, March 13, 2018

Call to Order – At 7 PM with the following committee members in attendance - Jim Sinclair, Suzanne Wheeler, Kevin Arduini, Roger Markle, and Board Liaison Chris Mackesy. Guests – Mindy Leach and Angie Koch.

Report on the February 2018 RTA Meeting – Reserve study progress was presented.

Reserve Study – Reviewed data input for inclusion of assets with the following addressed:

1. Began adding estimated prices, useful lives, and remaining useful lives to the input spreadsheet.
2. Suzanne was going to look into insurance information to assist with the building values. **Subsequent to the meeting** she spoke with the insurance company and determined that they will do a “reserve study” for the RTA for free every 3 years. Glenda should receive some information about what they need. Once received, the committee will divvy it up to get it done. One caveat - it will probably not cover everything like the ravines, dredging, docks, etc...which need to be included in a community responsibility reserve study.
3. Jim will contact the reserve software company to verify that the information works and obtain an early draft of the reserve study.
4. At this point, we assume that smaller community assets like hot water heaters, air conditioners, furnaces, etc...(generally, under \$5,000 to \$10,000 value) would be covered by the normal annual operating budget to replace/repair as needed.
5. Our goal is to have the final reserve study completed by the June 2018 Board meeting.

Community Drainage Project – Tabled - Will address in April.

Committee Make-up – We propose to the Board that the committee be made up of Jim Sinclair (chair), Suzanne Wheeler, Kevin Arduini, Roger Markle, and Mindy Leach.

Club House Basement – No discussion this month.

Club House ADA Analysis – The committee will assess as part of the Reserve Study and Club House Basement assessment.

We welcome members to attend the monthly meetings to gain knowledge and volunteer their expertise to help us analyze the entire complex.

Committee Projects – No Project Request Forms were presented by the community this month.

RE: Variance Application to the County

Neighbors:

You may have noticed a public hearing sign placed in the front yard of the Lake Camelot clubhouse. I'd like to provide further detail and clarification. A variance application has been submitted to the County for the number of parking spaces and landscaping requirements that Board of Appeals. The County states that any requested improvement to our pool facility that is 50% or more than its current value will require full compliance with parking and landscaping requirements. Currently these items are not in compliance as the pool facility was built 45 years ago under different regulations. The County states variances are necessary for any repair or replacement that exceeds 50% of the pool facility's value.

The variance application requests to reduce the number of required parking spaces from 115 to 60 and reduce the number of required landscaping points for the front yard and transitional buffer yards. If approved, the variances remain with the land and are applicable to any pool repair or replacement project. So whatever the outcome of the upcoming pool vote, these variances will be necessary. If approved, our overall costs to repair or replace the pool will be less since we will not have to build a larger parking lot or plant numerous trees and shrubs. If the variances are denied, we may be required to build a parking lot with 115 parking spaces (we currently have 67) and plant a landscaping buffer surrounding the parcel and additional trees and shrubs in the front yard.

You are all welcome to attend the public hearing with the Zoning Board of Appeals on Thursday, April 12th at 10:00 a.m. in room 403 of the Peoria County Courthouse.

Please feel free to contact me at 608-444-7014 should you have any questions.

Thank you,
Leah Allison

Welcome to CAMP CAMELOT! A fun event for all boys and girls of Lake Camelot and their dads (moms can join too). There will be plenty of outdoor events available for the kids including; fishing (bait and prizes provided), camping, cooking over the fire, kickball, Frisbee, and flashlight tag. Plus much more!

- Location: Lake Camelot Baseball Field
- Open to all kids of Lake Camelot
- No age requirement, use your own judgment
- Bring your own tent, sleeping bag, and fishing gear
- Each family cleans up after themselves
- Camping is not required, feel free to join us for the other activities
- Tentative times for activities: 1PM set up, 2-4PM fishing contest, 6PM cooking over the fire

Food provided for the cookout:
Hot dogs, chips, cookies, watermelon, & smores
Water and lemonade will also be provided.

For more information or to RSVP please contact Joe Webb, 309-219-4359 or Brian Turner, 309-241-2206.

A Glasford Bank savings account can help you through the rainy days.

THINKING ABOUT RENTING YOUR HOME?

Please be aware the Lake Camelot Round Table Association has sub regulation in place for the renting of homes (Bylaws; Article IV, Section 2, (G), Page 12. These regulations include Lake Camelot Round Table Association must approve applications for rental property, which means all paperwork for rental be submitted before renters move in-date. Members whom rent their homes must sign a rental notification for rental property with the LC and pay a fee in addition to the Association dues. The fee is the sum of the current years' dues. Current rentals will have 12- month grace period with current leases/tenants. New leases/tenants property owners must comply with the current regulations. For more information contact the Camelot office at (309)697-5339.

PLANNING A NEW PROJECT?

Remember to submit your upcoming project and planning worksheets to the ECC for approval prior to making changes and/or additions on your property. Application forms are available on-line at www.CamelotRTA.org or at the Lake Camelot office. Meetings are held the second Monday of each month.

FAILURE TO COMPLY may result in stiff penalties and fines.
