WHEN WAS THE LAST TIME YOU
ADDED CHLORINE TO YOUR SEPTIC?

How to supply chlorine to the majority of chlorinators:

Typical Septic System Lay-out
(actual arrangement may vary)
(chlorinators also follow mechanical aerobic systems)

1. **Knot**
If your system was installed mid 1970's - mid 1990's
Find the chlorinator recharge pipe located beyond the vents of the septic field. Place solid chlorine tablets in perforated plastic container and lower with synthetic cord (organic cord will rot) until container skims liquid in chlorinator. Secure cord to lid.

2. **Knot**
If your system was installed mid 1980's - mid 1990's
Place solid chlorine tablets in perforated plastic container, and lower with synthetic cord (organic cord will rot) to bottom of pipe. Secure cord to lid.

3.
If your system was installed mid 1980's - mid 1990's
Remove the 1 - 1½" PVC pipe. Drop solid chlorine tablets into bottom pipe section. Replace 1 - 1½" PVC pipe and weight.

4.
If your system was installed mid 1990's - 1999
Drop solid chlorine tablets into pipe.

5.
If your system was installed 1999 to the present
Drop solid chlorine tablets into pipe.

NOTE: If standing water is observed in the chlorine recharge tube of any system, suspend the chlorine as shown in illustration 1 in order to prevent the rapid disintegration of solid chlorine tablets.

Ron Draper Kids Fishing Derby
The Ron Draper Kids Fishing Derby will be held at Reed City Lake on Saturday, June 7th.
Please pre-register by visiting the Hollis Recreation/Fitness Center at 10107 S. Vine Street, Mapleton, or by called 697-2929 to have your child’s name placed on the list and to also guarantee a prize.
Gates open at 8:30 a.m. Fishing starts at 9:00 a.m. and conclude at 10:00 a.m. Following this is refreshments and an Awards Ceremony.
Please bring your own poles and bait. No minnows are allowed. This event is free to everyone.
Age categories are 8 years of age & under, 9-11 years of age, and 12-15 years of age.
Please call the Hollis Recreation/Fitness Center with any questions concerning this event at 697-2929.

Young Explorers Summer Camp
What: A fun and active Summer Camp for the younger children in your life!
Where: Butler Haynes Park Pavilion.
When: June 16th through August 6th. The camp will run three days a week (Monday, Tuesday, Wednesday) for eight weeks. Class times are 8:30 a.m. to 12:30p.m. A snack will be served.
Who: This camp is open for children age 3 to 6 years. Three year olds must have turned three on or before January 1st.
Why: To get kids outside, to get them moving and to get them to explore the world around them.
How Much: \$40 a week paid bi-weekly. Discounts will be offered for those wanted to pay for all 8 weeks at the first payment as well as sibling discounts.
Registration: May 16th through June 13th at the Hollis Recreation/Fitness Center in Mapleton. Limited space available so sign-up NOW!!

YOUTH SERVICES
PAWS TO READ: Summer Reading Club KICKOFF PARTY Tuesday, 6/3/14 1-4:00
Kick off a great summer adventure by signing up for the summer reading club at Alpha Park Library! Registration begins on Tuesday, June 3, at 1:00 p.m. The program will run until July 26. (No registration or check-in will be allowed outside of these times.) The kickoff party is a great time to sign up, get all the club information and enjoy snacks, games and face painting! This program is going to be a summer adventure for readers 3 years through adult. Get the whole family registered right away so you don’t miss any of the fun!

THE CHEW CREW Mondays, June 9, 16, 23; 2-3:00 p.m.
Chew Crew is a nutrition-themed program that gives children the experience of “cooking” and tasting a new healthy snack each week. A story and an activity are part of each session. This program is geared towards children 4 years old through second grade.

PET PARADE 2014 Saturday, June 14; 10:00 a.m.
Do you have a pet to show off? Bring them to the Alpha Park Library Pet Parade! We will have our parade in the rear parking lot (weather permitting), and your pet will receive a certificate for participating. Any pet that can be controlled in a carrier or with a leash is welcome.

COLD-BLOODED CREATURES Thursday, June 26, 6:30 p.m.
Have you ever been so close to an alligator that you could touch it?? Well, here is your chance! Jim Nesci brings his reptile friends to Alpha Park Library for one show only. Families can learn about the importance of reptiles in nature, as well as many interesting and humorous facts.

Minutes - Land & Lakes Committee
Wednesday, May 7, 2014

Call to Order: The meeting was called to order at 6:30. Committee members in attendance were Glenda Carlson, Collin Cochran, Glen Delorme, Lynn Gosnell, Steve Harenberg, Richard Novitsky, and Bruce Whelchel. Greg Dennis was also in attendance.

Report on the April 16th Board Meeting: Steve Harenberg gave a brief report on the meeting. He stated he had informed the Board the contractor is ready to go on the siltation projects, he is just waiting for the road commissioner to life the road bans and they will get started.

Lake Treatment: Greg Dennis reported that both he and Dennis Woods had passed the required testing for lake treatment applications and are in the process of developing a treatment plan based on the information they have put together from Marine Biochemists (our former sprayer) and area chemical suppliers. He stated he would like the committee, the board and the general membership to know this year is a learning year, some of what they will be doing will be trial and error but that they have good, reliable sources that are willing to help them with any questions, concerns or recommendations as needed.

Plans for Completing Erosion Control Project Number 1 (from 2013): Collin reported that timing is everything with the pile on the hill still needing to be burned. It must be times just right with the wind blowing in the right direction. He is keeping an eye on the weather daily and will be advising when the time is right. Volunteers will be needed to keep an eye on the burn for the first 24 hours at least. The contractor we already have has agreed he would be willing to finish the final grade, the seeding and placing the straw. Weather permitting, the project should be complete by the end of the month.

Dam & Bridge Inspection Reports:

1. Dam Inspection Report: Greg reported the lawn care contractor has mowed the top half of the area and maintenance has filled some surface holes and seeded. Brush cutting and clearing has been performed. Monthly inspections by maintenance continues to be performed.
2. Bridge Inspection Report: The committee agrees that a professional opinion needs to be obtained prior to developing a plan. Bruce has talked to one professional but thought the costs for an engineering study were a little high and will take the opportunity prior to the next meeting to obtain other opinions and cost options.

Erosion Control and Siltation Projects Number 1 & 2 for 2014 (The siltation ponds at the North end of Lake Camelot and the West end of Lake Lancelot):

Steve and Bruce met with the contractor on the property to go over the details of the projects and walk the areas where the work is being performed as he has started some of the clearing. Steve will take the lead managing the project, Bruce and Collin will assist. We are still waiting on the road restrictions to be lifted which is expected to be around the middle of May. Bruce will stay in contact with the Township Road Commissioner to see if we can begin earlier. With regards to the buried phone cable that runs through the woods and under the lake in the project area near the West end of Lake Lancelot. Bruce, Glenda and Collin met with engineers from AT&T on Friday, April 4th to determine if the cable could be relocated. The engineers indicated it was plausible and were going to physically take a look, go back to their office and see what needs to be done to get this cable moved. We have not yet heard back from them with regards to this matter.

Erosion Control and Siltation for 2014:

1. **Removing Lake Siltation:** Bernie and Richard gave an update on the development of a plan for removing silt from our lakes. The discussion focused on the depth of siltation in the areas to be identified. Glenda is going to contact the Herman Brothers in an effort to get a copy of a report they prepared a few years ago that included some work on determining siltation depths. The committee agreed that once we determine the magnitude of the siltation and methods for controlling erosion into the lakes; we can begin to develop the best alternatives for controlling and removing the siltation.
2. **Strategy for working with neighboring land owners (with the help of Scott Wallace and Gary Gorden from the USDA-NRCS) to control erosion into our lakes:** Deb and Glenda, Deb, Steve S., will continue to work on plans for this project.
3. **The park access area that runs between Tewksbury and Canterbury:** Bernie is still working on the area as weather allows. Will need to determine if we are able to get equipment into this area.

New Business:

1. **Community Clean up Day-** Glenda reported that a Community Clean up Day has been set for June 7th with all volunteers meeting up at the Clubhouse anytime between 8:00 a.m. and Noon. The Activities Club and the Sportsman’s Club will be providing pizza, snacks and treats at noon for all of those that volunteer. X-Waste will be providing a dumpster for the event. We encourage you to come out and support your community by helping to keep it clean!.

Next committee meeting - June 4th

Adjournment: Meeting adjourned at 8:00 p.m.

CAMELOT ROUNDTABLE ASSOCIATION
BOARD OF DIRECTORS MEETING
Wednesday, May 21, 2014

Call to Order –President Lynn Johnston called the meeting to order at 6:30 pm. Board Members in attendance were Steve Schmidt, Matt Buczynski, Leah Allison, Steve Harenberg, Gary Smith, William Whitehurst, Cathy Doss and Brian Woertz. Also in attendance was Glenda Carlson, General Manager.

Approval of Minutes – Leah Allison made the motion to approve the April 16th, 2014 meeting minutes. Motion seconded by Cathy Doss. All in favor- Motion carried.

Finance Report – Leah Allison presented the Finance Report. Monthly Income and Expense statement was reviewed for April 2014. It was reported the Annual Review and 2013 Tax Returns have been completed and filed with Rotherham and Company. Bill Whitehurst made a motion and Steve Harenberg seconded to accept the financial report as submitted. Motion carried.

Recognition of Members and Guests – In attendance were Brian Emhoff, Chris White, Mike Johnston, Levi Dinkla, Mary Hill, Jim Sinclair, Max and Mary Pat Bryant, Dennis Ryza, Glen DeLorme, Justin and Cara Pence, Jodi Nutter, Collin Cochran, Bruce Whelchel, Janis Earle, Derek and Tasha Scott, Troy Deiss, Dennis Mahan, Aleshia Egan, Bill Krokos, Carmen Garmen, Chris Durand, Lori Pollman, Tracey Gerard, William & Sheila Bolen, Grant Sornson, Vernon Pratt, Craig Stafford, Amanda Rassi, Jason Briggs, Steve Knee, Sherry Waters, Brandon Carroll and Dave Johnston.

EXECUTIVE SESSION -The Board went into Executive Session at 6:35 p.m. with a motion made by Lynn Johnston, seconded by Leah Allison 4-Yes 3-Nays. Bill Whitehurst made a motion, seconded by Matt Buczynski to exit Executive Session at 7:04 p.m. No Action Resulted from Executive Session.

General Discussion was held regarding the Covenants Review Committee’s status regarding recommendations being made and the changes being proposed to the board along with the voting procedures. Areas concerning having fences or not having fences and boating regulations were discussed and the board informed those interested in these matters would be invited to attend the covenants review committee meeting prior to their final recommendations to the board. Notice of the meeting will be posted at the front entrances and on the Lake Camelot Webpage.

Jodi Nutter requested the board allow the Girl Scouts to spend the night in the Clubhouse as an overnight “camping” activity. They would be using the facility after visiting the pool, spending the night and eating their breakfast out on the deck. Steve Schmidt made a motion to allow the overnight stay in the clubhouse by the Girl Scouts, Matt Buczynski seconded. Motion passed.

Committee Reports

Infrastructure – Jim Sinclair gave an updated report on the restroom renovation project in the clubhouse. He had received three bids from subcontractors with variations in selection for updates that the board will review. Further, committee is awaiting updated long term project planning report from reserve study management group. The General Manager reported this should be available by the next meeting if not before.

Land and Lakes – Steve Harenberg reported for the Land and Lakes Committee. Greg Dennis attended their meeting this month and discussed his treatment plan for spraying the lakes. The Committee is still working on the erosion control project from 2013. Burning on the hillside behind the lower dam will be completed as weather permits. Bruce Whelchel, Steve Harenberg and Collin Cochran continue to monitor the progress on these projects and report to the board as they proceed.

Health and Environment – NO REPORT

Covenant Review – Lynn Johnston reported the committee will be scheduling another meeting once they receive all changes back from the board. The last covenant review meeting will be posted at the entrance for all members to join the meeting for one-half hour at the beginning with comments and concerns.

Security Report – Brian Emhoff reported no security issues at the clubhouse complex or RTA property over the last thirty days.

Club Reports

Activities Club – Planning is still proceeding with the events for the 4th of July Celebration on the 5th. There is still a need for volunteers to work the snack shack throughout the day. Anyone interested in helping should contact Angie Robertson and/or Kristy Bushart.

Sportsman’s Club – Collin Cochran reported that the Fish Fry went well. The Father/Son Camp out is coming up in June and the Community Clean-up day is June 7th. The Club is making preparations for serving food and drink on the 5th of July for the upcoming firework extravaganza .

Old Business

2014 Violations/Tree Removals– Report Update-Notice of Violations sent on Light Poles out and Responses Made to Tree Removals were discussed.

Fish Stocking - The remainder of the catfish purchase was delivered the second week of May/400 Catfish 6”-8” in the lower lake.

Swimming Pool & Snack Bar- Fifteen Lifeguards have been hired and Five Snack Bar Workers for the 2014 Swimming Pool Season. The Snack Bar will open this year with the addition of personal pan pizzas and garlic bread.

July 5th Fireworks Celebration- The General Manager reported on the event planning process and the Board would like to encourage everybody to come and enjoy a great day! We have chosen this year a family oriented band whom interacts with the crowd and is looking to provide us, children and adults alike, with a very good time!

2013 Annual Review & Tax Return - The Annual Review and Return was received from Rotherham & Company. Reports were submitted to the Executive Board for review and the 2013 Tax Return has been submitted.

Reserve Study Progress- Update by Reserve Study Program not yet received.

Lot 706- Board will proceed with recommendation from legal counsel in an effort to recoup unpaid assessments.

Community Clean up-Day - The General Manager reported Community Clean up Day will be June 7th and the Activities and Sportsman’s Club have agreed to provide pizza, snacks and Drinks. X-Waste will be donating a dumpster for the event. The Board invites all members to help!!

Neighborhood Link/Community Web Page - General Manager reported several members have joined the new community web page and will continue to encourage members to join at www.CamelotRTA.org for official association business.

New Business

ACH Dues Processing- The General Manager reported she had contacted our bank, Glasford Bank to inquire about the possibility of ACH processing for a limited time at the beginning of each year so that members did not have to write us checks but could fill out a form and have the payment automatically deducted from their account on the day they specified. Marji Wolfe checked into this request and reported that it would be possible with minimal costs. Bill Whitehurst made a motion, seconded by Gary Smith to proceed with offering ACH processing dues for members through Glasford Bank. Motion carried.

Tennis Court Repairs-The board asked the General Manager to look into fixing the tennis court.

Executive Session

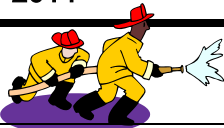

The Board went into Executive Session at 9:20 p.m. with a motion by Lynn Johnston, seconded by Leah Allison.

The Board came out of Executive Session at 10:15 p.m. with a motion by Steve Schmidt, seconded by Matt Buczynski.

Action Items – Resulting from Executive Session-
NONE

Adjournment – Bill Whitehurst made the motion, seconded by Matt Buczynski to adjourn the meeting at 10:17 p.m. Motion carried.

Respectfully Submitted,
Cathy Doss, Secretary

I would like to give recognition and say “Great Job!” to our fire crew from Lake Camelot who helped battle the fire at the old Farmington High School on May 15. They were spread pretty thin for a while but helped get the job done. Most importantly, no one was injured and everyone came home. Awesome work Capt. Monte Barrick, Bud Vest, and Phil Smith.

It is officer appointment time for our department again. We are on two year staggered appointments with half of the officers due this year and the other half due next year. The candidates that meet the requirements for appointment are discussed by the officers then chosen by the chief who presents the recommendations to the trustees for approval at their June meeting. Once approved, the chief will announce the new officers who will then take command on July 1st.

It is with a heavy heart that I have asked not to be considered for reappointment to Captain of the Lake Camelot House. The company I work for is leaving Illinois and relocating my family and me to Irving, Texas. I will remain on the department as an active Fire-fighter/EMT until my date of relocation in August, at which time I will resign. This will allow me to help in the transition of duties to the newly appointed Captain and assist with the Lake Camelot 4th of July festivities. My wife, Candy Williams, who has also served as an EMT with the department for 5 years will also be resigning in August. I have no doubt that Capt. Monte Barrick and the crew will not miss a beat in service as they are the finest crew in the best fire protection district in Peoria County. It has been an honor and a privilege to serve this community for over 8 years. My wife and I will certainly miss the neighbors, the LC fire/rescue crew, and the department.

Stay Safe,
Capt. Dan Williams
