Several satisfied Camelot customers

If concrete driveways, sidewalks or patios are separating or creating a gap at the joints or moving away from the house (and the top of your concrete is in good condition) we have a proven process to fill and seal those separations. Often the driveway separates from the garage floor causing a gap. An inexpensive fix to those gaps now, compared to the damage they will cause over short periods of time, is worth the investment!! Fixable as long as the temperature remains above freezing for 24 hours. **CALL NOW**

CAMELOT ROUND TABLE ASSOCIATION

COMMITTEE REPORTS

**Infrastructure** – 1) Jim Sinclair reported on the bids for the parking lot. After some discussion the Board asked the Committee to also get some bids for Sealing and Chipping the parking lot at just the clubhouse and the lower lake boat ramp. 2) Jim Sinclair reported that Kevin Arduini obtained a third bid from Jacyles Waterfront Equipment on the boat slips and reviewed a bid from K & K Excavating. Kevin is also to receive a bid on security cameras and electrical lighting. After discussion on the boat slips, Cody Martzluf made a Motion to not go forward with obtaining any more information on installation of Boat Slips, Cathy Doss seconded. A vote of the Board was taken and it was 5 for the Motion and 3 against the Motion. Motion not to pursue the boat slips Carried. The Committee was thanked for its work on the project thus far and the office was asked to retain the records for any future needs.

**Land and Lakes** – Collin Cochran reported that Calicotte would begin to remove dirt as soon as roads are open for heavy trucks. They will do some level-ing and spreading of the dirt and then seed it. L&L is working on developing plans for 2015 and a 30-year plan. The next meeting is May 6, 2015. Please see the Complete Report on the Land and Lakes meeting minutes.

**Health and Environment** – Gary Smith –No report.

**Security Report** – No report.

CLUB REPORTS

**Activities Club-** Cathy Doss reported that the Easter Egg Hunt was very successful. The Jr. High Dance attendance is back up, Trivia Night on April 24th is the next event hosted by the Activities Club. Garage Sale Day is May 16, 2015 from 8:00 a.m. to 3:00 p.m. The next Activities meeting will be May 13<sup>th</sup> in the Clubhouse.

**Sportsman’s Club** –Cody Martzluf reported that the Fish Fry will be May 2. Tickets are available at the office. The Money made from the Fish Fry will go to support the Lake Camelot Swim Team, The Lake Camelot Baseball Teams and the IB Bass Teams. Please see the Sportsman's page for more information.

OLD BUSINESS

**4th OF JULY FESTIVITIES** - The General Manager reported the Clubs are in the process of getting volunteers to help with the events and she is working with Bud Vest on submission of the application for the fireworks display.

**2015 DECLARATION/BY-LAWS- FILING & PRINTING** – Books are being printed. The Cover will be a dark blue with a border on the front and the new date that the rules went into effect-January 1, 2015. Once received, they will be distributed to the membership. In the meantime, you may view the newly re-corded document at CamelotRTA.org or obtain copies at the Lake Camelot office.

**VIOLATION REPORTS/UPDATE** – The General Manager reported to the Board that there were 153 violation notices that will need to be prepared with regards to the recent inspections. The Board stated the letters should be sent and the violation fine structure followed as stated within the rules.

**COMMUNITY SPRING CLEAN UP DAY** – April 25<sup>th</sup> from 8:00 a.m. to 12:00 p.m. will be Lake Camelot’s Spring Clean Up Day to clean up Camelot RTA property. There will be drinks and food after 12:00 for all the volunteers. Please come up and help! We hope to see you there!

**LAKE CAMELOT POOL AND BEACH** – Preparations will begin in getting the pool and beach ready for opening up day on May 23, 2015.

NEW BUSINESS

**Logan Township/Repair** to culvert near upper boat ramp. We have contacted Kevin Sipp, Logan Township. He agreed to again review this area and make an assessment of the need to address this area for repair. It is believed that three culverts meet in this area and are partially under the road. This will mean the road may need to be closed while repairs would be being made. Report to the Board may be available by the next meeting.

**Weight-Restrictions/Township Roads**  
There is a weight limit on our roads until May 15, 2015. So please no heavy trucks are to go through Lake Camelot until then. For the protection of our roads, please respect this timeline and schedule deliveries and heavy subcontract work until after the 15<sup>th</sup> of May.

**Swim Team Registration**  
The Registration date for Swim Team is Monday, April 27, 2015 from 5:00 p.m. to 7:00 p.m. The Swim Team Calendar was presented to the board. Bill Kro-kos made a motion to accept the Swim Team schedule, seconded by Cody Martzluf. Motion Carried.

The Board would like to Thank Bill Krokos for the maintenance performed on the upkeep and care instructions on the power washer.

EXECUTIVE SESSION

Gary Smith made a motion to go into Executive Session at 8:55, Bill Krokos seconded. All in favor, motion carried. The Board came out of Executive Session at 8:56 p.m. with a motion by Matt Buczynski, seconded by Bill Krokos. All in favor, motion carried. No action was taken.

ACTION RESULTING FROMEXECUTIVESESSION/ADJOURNMENT- NONE

Respectfully Submitted,

QUIKLOOK- SUMMARY - 2015 CHANGES TO DECLARATION OF RESTRICTIVE COVENANTS/BY-LAWS

(NOT INCLUDING THOSE THAT WERE THE SAME BUT JUST HAD SOME SMALL CHANGES IN VERBAGE)

\*RED INDICATES CHANGE

DECLARATION OF RESTRICTIVE COVENANTS

1. INTRODUCTION - 7A & 7B of the SW1/4 of Section 31 and SE 1/4 of Section 36 in Lake Camelot Subdivision falls under the jurisdiction of the Camelot Round Table Association. (RTA).
4. OWNERSHIP AND USE OF LAKE CAMELOT AMENITIES - Owners of the property within Lake Camelot, who rent their property , must register their intent to rent with the RTA office and shall, after payment of the required fees, in addition to the Association dues, relinquish their rights to use the Association’s amenities to the renter as indicated in By-Laws, Article IV, Section 2 (g).
- 5.3 ECC Membership Length of Term - In the event of a completely new ECC Committee, the individual members’ length of term shall be determined by a drawing lots of one (1), two (2) and three (3) years. A new member shall be appointed each year and past members may be reappointed.
- 5.5 ECC Approval Process - In the event the ECC fails to recommend for approval/disapproval of such plans specifications, and location within Thirty-five (35) days after recorded receipt by the Association, the Board must decide on approval or disapproval at the next board meeting or the plans are approved by default.
- 5.6 ECC Inspection Process- When any plans are submitted , the ECC committee members have the right to inspect said property before, during and after completion. Unapproved changes, after the Board’s approval, are subject to the fine structure. After completion of the approved plans, the lot owner must sign a final ECC project worksheet form, thereby notifying the manager that the lot owner is ready for a final inspection of the respective project within three (3) days.
- 6.1 Family Dwelling Houses, Outbuildings, Structures and Maintenance - Accessory outbuildings shall not be erected on any lot prior to the erection of a single-family dwelling house. No single-family dwelling house on any lot shall be occupied for residential purposes until it shall have been substantially completed. When the question of whether a house is substantially completed shall arise, it shall be settled by the homeowner’s presentation of an occupancy permit issued by the Peoria County Board of Health.
- 6.2 Minimum Living Space Size -No single family dwelling having less than fourteen hundred (1400) square feet of living space shall be constructed on any lot after January 1, 2015. For Sections 7A and 7B - no change from their original document.
- 6.3 Construction Materials - For all new dwelling construction, after January 1, 2015, a minimum of 15% of the front exterior of the house shall be in stone or brick. Stone, brick, vinyl or steel siding and wood shall be permitted exteriors provided such materials are suitable quality, grade, and coloration so as to conform and harmonize with other improvements in the Subdivision. For Sections 7A and 7B, all dwellings shall have a minimum of 25% brick or stone on the front of the house and all driveways will be P.C. Concrete or Bituminous Surface.
- 6.6 FENCES - No fences shall be permitted on any lot or lot lines, except , with the recommendations of the ECC and the approval of the Board, a fence or other enclosure will contribute to and be in keeping with the character of the area. In such cases, such as a dog run (under Rules and Regulations K-5), the ECC shall make a recommendation for approval by the board, as to the size, location and composition of the fence or enclosure .
- 7.1 Lot Requirements - Landscaping shall be kept neat and trimmed. Improvements shall be kept in good repair. No inoperable vehicles shall be kept standing on the property or on the street. Prohibited, but not limited to are vehicles parts, building materials, inoperable equipment, litter or other items deemed to be unsightly.
- 7.3 Building on Contiguous Lots - Whenever two (2) or three (3) contiguous lots in Lake Camelot Subdivision shall be owned by the same person, the owner may apply in writing to the ECC for permission to use the contiguous lots as a site for a single family dwelling. After full review, the ECC shall make a recommendation to the Board for its consideration. After approval, the contiguous lots shall be treated as a single lot for the purpose of applying these restrictions, as long as the lost remain improved with a single family dwelling. Should a contiguous lots be sold as an individual lot, full association assessments are due for that fiscal year.
- 7.5 Ditches and Swales - The ECC shall not recommend for approval to the Board plans and specifications for construction of any structure on any numbered lot on which all or part of an open storm drainage ditch or swale is situated, unless such plans and specifications shall provide for the installation of such culverts or for the taking of such other steps as may be specified by the ECC to assure that such ditch or swale shall remain free and unobstructed. Prior to approaching the ECC with any proposed changes to an open storm drainage ditch or swale, the homeowner must first obtain written approval of their plans by the Township Road Commissioner.
- 8.2 Animals- No animals, except the usual household pets, not kept or bred for commercial purposed, shall be kept on any numbered lot in Lake Camelot subdivision. Owners must meet the county code in regards to pet ownership and responsibilities. Such pets shall be confined, leashed or under control so as not to be a nuisance. Pets shall not be allowed to roam off owner’s property unleashed. Owners are responsible for cleaning up after their pets on public and private property.
- 8.3 Vehicle Parking - The parking of vehicles shall not obstruct the flow of traffic and shall conform to county and state law. No vehicles, including but not limited to trailers, boats, or other recreational vehicles may be parked on the road overnight. Trailers, boats and recreational vehicles must be removed from the front of any lot from November 1 to March 1. They can be parked in the side or rear yard behind the home’s front bldg line.
- 8.4 Garbage Cans shall be placed in a manner not visible from any street or lake within the Lake Camelot Subdivision at all times. The only visibility exceptions are times when refuse collections are being made. Food Waste is prohibited from being placed out for wild animals. See Rules & Regulations, Misc. Regs K-14.
- 8.5 Signs -No Signs shall be displayed or any lot or structure in Lake Camelot Subdivision without ECC recommendation to the Board for approval, except a sign advertising property for sale of not more than six (6) square feet.
- 8.6 Gas Powered Boat Engines - Gas powered motors are not allowed to be operated on Lake Camelot (the upper lake), with the exception of loading or unloading a boat from a trailer at the boat launch. Gas powered motors are allowed to be operated on Lake Lancelot (the lower lake), not to exceed 75 horsepower and not to exceed a speed of thirty five (35) miles per hours.
- 9.2 Septic System Requirements - Distribution box shall be a minimum of ten (10) feet from water supply and property lines, ten (10) feet from the dwellings and, twenty-five (25) fees from the lake. Filter bed shall be a minimum of seven (7) feet from the property lines, ten (10) feet from dwellings and, twenty five (25) feet from water supply line and lake. Chlorinator shall be placed after the filter bed in a location to be determined by the septic system installer and approved by the Peoria County Board of Health.
- 11.1 Enforcement - The Board of Directors is empowered to enforce the Restrictive Covenants. Sanctions imposed for violations of Restrictive Covenants shall include, but are not limited to, one or more of the following: 1. Written Warnings, 2. Suspension of Member Privileges, 3. Fines and Interest Accrued, 4. Criminal Prosecution under the Applicable State Statutes. In no way shall such sanctions infringe on the rights of the individual property owners or the Association to pursue further recourse either in Law or Equity through civil courts of competent jurisdiction. Although most of the Subdivision property is privately owner, including the lakes , out-lots, recreational facilities on common grounds and the lost and homes, law enforcement officers may enter the Subdivision at their discretion. Members and guest are not immune from law enforcement authorities. Any RTA employee or member may call and lodge complaints with such authorities. Fines will be levied After the issuance of one (1) warning only. The fine structure will be assessed in accordance with the published schedule. Unpaid fines shall render the member as not in good standing. If the member guests their tenant or their guests are cited for a violation of these Restrictive Covenants:
1. The member will receive a written notice with specific details.
2. The member will have fifteen (15) days to submit a written protest and request a hearing.
3. Fines levied shall be payable in thirty (30) days. Interest will accrue on fines.
4. Fines may be assessed against your lot if they are not paid.

BY-LAWS

**DEFINITIONS (I)** He, him, himself, his, etc” - Any reference throughout this document to the male pronoun (he, him, himself, his, etc.) shall be deemed to be gender neutral, and to include the female pronoun (she, her, herself, hers, etc).

**PURPOSES** Section 6. The Association employs a General Manager who is authorized to transact business at the direction and on behalf of the Board, or as an Agent for the association for the purpose of carrying out the duties, responsibilities, and other obligation necessary for the day to day operation and management of the property.

**MEMBERSHP/CLASS OF MEMBERSHIP (b)** If any contiguous lots are sold, then the annual dues for the current year must be paid to the Association

**CHARGES (b)** - Such annual charge or dues shall be paid by each member on or before the first day of March each year. Monthly penalties and interest will be imposed if the dues are not paid by March 31st. (g) Members in good standing who rent their home must notify the Association office, sign a rental notification form and pay a fee in addition to the Association dues. The Association will annual bill this fee to the Owner. The Owner of this rental property relinquishes his rights to the use of the lakes, parks, recreational facilities and other amenities. The renter cannot rent the clubhouse or pool unless sponsored by a member at the non-member rate. The renter cannot be cannot be recognized as a member of the association and is not allowed to vote at any Association meeting. The renter’s responsible for any fines imposed for non-compliance.

**DUTIES OF MEMBERSHIP (b)** - Each member of the Association shall keep the property owned by him in Lake Camelot Subdivision in Good repair and shall keep the same mowed so as to prevent the property from becoming unsightly. Items deemed unsightly and prohibited include, but are not limited to, building materials, vehicle parts, inoperable equipment and litter.

**MEETINGS OF MEMBERSHIP SEC 6. Proxies** - At all meetings of members, a member may vote by proxy executed in writing by the member or by his duly authorized attorney-in-fact. The member can fill out the proxy form after presenting photo identification at the office. Proxy forms mailed to out of town members must be notarized before mailing back to the Association. **Sec 8. Voting by Ballot** - Except for the election of Directors, voting on any question may be by a show of hands, unless the presiding officer shall order, or any member shall demand, that voting be by ballot. Ballots for Election of Directors will be held for sixty (60) days after the annual meeting and then destroyed.

**THE DIRECTORS Sec 3 Election of Directors-** Election of Directors shall be by written ballot mailed to all members entitle to vote, according to detailed instructions adopted for the Nominating Committee by resolution of the Board. Once election results are announced at the annual meeting, each director shall receive a guide booklet, included but not limited to, the Restrictive Covenants, By-Laws, and Rules and Regulations book, phone book, email meeting guidelines, employee job descriptions, employee guidelines, delegation of keys, fine structure, renter notification form, election guide-lines clubhouse and pool rental fees; contracts, waste collection contract and mowing contract. **Sec 5 Special Meetings of Board** - Special meetings of the Board may be called by or at the request of any directors. That director may fix any place within Peoria County as the place for holding such special meeting of the Board called by him. Email meetings are allowed only for emergencies and must be sent to all board members. The President must verify a quorum by a ‘call to order’ stating the subject and a call for a second. After a second, a call for discussion and a deadline is issued. A ballot is emailed to all board members stating what is to be voted on and a designated place to mark a vote. Minutes of the email meeting should be included in the next regular board meeting minutes.

**OFFICERS Sec 4 President** - Pursuant to Robert’s Rules of Order, because the Board is made up of not more than 12 members, the President may vote on all motions or resolutions before the Board. During a vote by the membership at an Annual Meeting, or other Special Meeting of the Membership, the President shall only vote on a motion or resolution before the membership to make the deciding vote which means to make or break a tie.

**COMMITTEES Sec 2 Nominating Committee** - The Board shall appoint the Nominating Committee Chairman at the August regular board meeting, and the Chairman should select three (3) additional members, to be approved by the Board at the September regular board meeting, so that the committee will be comprised of four (4) individuals. **Sec 3A Health and Environment Committee** - Changes in New Book/Page 19 **Sec 3B INFRASTRUC-TURE/LONG RANGE PLANNING COMMITTEE** - The Infrastructure/Long Range Planning Committee is a committee of the Association and functions under the guidance and direction of the Board. The Board shall appoint a Chairman, and the Chairman shall select a committee with the minimum of three (3) members and a maximum of six (6) members in good standing for approval by the Board. Members shall serve two year terms and may be reappointed. The Board shall fill any vacancies. The duties and responsibilities of this committee shall be to monitor conditions of the Subdivision’s amenities, plan and recommend repairs and improvements for further action by the Board, and provide estimates for budgetary purposes. **Sec 6. Duties of Committees and Not-For-Profit Clubs** - Not having the authority of the Board in the Management of the Association, committees may be directed by The Board to study and do research in order to assemble recommendations and ideas to assist the Board in the management of the business of the Association. Each Committee and all clubs are required to submit a year end review at the annual meeting and a full financial accounting to the Association’s office by January 15th of the following year. **Sec 7 Committee Chairman and/or Liaison Member-** One member of each committee shall be appointed Chairman, and one member of the Board shall be ex-officio member of the committee, acting as the Liaison officer between the committee and the Board. The board liaison shall report to the Board at regular monthly meetings & the chairman or appointed member of committee shall report in his absence.

**Minutes - Land & Lakes Committee** Wednesday - April 1, 2015

**Call to Order:** Meeting was called to order at 6:30 In attendance were Collin Cochran, Brian Cunningham, Lynn Gosnell, Deb Metroff, Bernie Sieks and Bruce Whelchel. Jim Sinclair from the Infrastructure Committee was also in attendance. Bruce noted that some of the committee members were not able to attend due to Holy Week.

**Report on the February Board Meeting:** Collin gave a brief report on the meeting.

**Report on the Infrastructure Committee:** Jim Sinclair gave the committee an update on the proposed board docks being considered for Lake Lancelot. Jim and the committee discussed several issues and concerns regarding the docks and questions still need to be answered. The Committee thanked Jim for the report and commended the infrastructure committee for all their efforts.

**Erosion Control and Siltation Projects for 2014 - the West End of Lake Lancelot and the North End of Lake Camelot:** Work remaining includes: 1. Might need more rock on sides and top of the access road to the south bank of the silt pond. 2. Haul dredged material after material thaws 3. Reshape area and build benches on both sides of the silt pond. 4. Build check dams 5. Cleanup areas and reseed. The contractor was contacted and he indicated that he will finish the project once the dredged material thaws and gets dryer. We also need approval from the Road Commissioner to move heavy equipment on the roads. The Contractor sent out one of his workers to ensure the silt fences were up and in good condition. If the weather cooperates, the committee hopes to have the project completed by this Spring.

**Erosion Control Project from 2013 (Eroded Area below the Lower Lake Dam):** Collin reported that he checked the area and everything looked good. The rocks were removed approximately one foot away from the rip rap area so the mowers can safely mow. Collin feels there should be more rip rap added to that area.

**Failure on Concrete Cylinder that Housed the Input for the Water Treatment Plant (Plant removed in 1999):**Tabled until fall of 2015

**Develop Plans for 2015 and a 30 year Plan that Focuses on : Erosion Control, Sediment Removal and Aeration, and the Dam Inspection and Bridge Inspection Reports.** The Committee discussed the methodology for moving the plan forward and reaffirmed that we need to get erosion under control before proceeding with the removal of sediment and aeration.

**Erosion Control Methodology:** The committee discussed progress on the analysis of the Hydrographic & Sediment Survey and work that has been completed on prioritizing the erosion areas that are contributing to the lake siltation. The committee agreed that we need to meet with Scott Wallace of the USDA-NRCS to review & discuss the erosion problem areas. Once we determine the prioritized areas, we will follow through with our methodology and brainstorm ideas to solve/fix the problem areas.

**Removal/minimization of Lake Sediment & Aeration Methodology:** The committee discussed progress on the analysis of the H & S Study in identifying and prioritizing the problem areas as well as analyzing what caused the problems. It is the committee’s understanding that arrangements for a dredge company to review the condition of our lakes has been contacted. We will discuss this at the next meeting.

**Major Issues in the Dam Inspection and Bridge Inspection Reports:** The Committee needs to analyze what caused the problems and develop short term and long term ideas to solve/fix the problems

**Dam Safety and Maintenance Manual that includes our Emergency Action Plan:** The final information for the Manual has been collected and we should have it completed within the next month or two . **ADJOURNMENT 7:45 P.M. Next Committee Meeting: May 6, 2015**

Minutes – Infrastructure/Long-Range Planning Committee (ILRPC)  
Tuesday, April 8, 2015

Call to Order: The meeting was called to order at 7:00 PM. Committee members in attendance were Jim Sinclair, Matt Buczynski, Kevin Arduini, Suzanne Wheeler, and Darrel Hedman.

Report on the March 18 Board Meeting: Board supported ILRPC continued research on the RTA boat slips.

Long-Range Planning Process:

Boat Slip Project Proposal: The following was completed between meetings – 1) Kevin obtained a third bid from Jaegles’s Waterfront Equipment and will have a revised K&K Excavating bid by April 10th; 2) Kevin will have lighting, security camera, and electrical trenching information by April 10th; 3) Jim prepared two options to be presented to the ECC; 4) Jim discuss the project with L&L committee on April 1st; 5) Jim and Kevin presented the project to the Sportsman’s Club on April 3rd; 6) Create the drawings of both options being submitted to the Board; 7) RTA made an interest flyer available and posted it in the Camelot News; 8) an application/waiver form was drafted including potential rules for the boat slip area; 9) determined that \$500 was reasonable for five month’s rental; 10) determined that the first dock should be 45 feet from the swimming area; 11) that CA6 should be used for the access path; and 12) that a random drawing of applicants should be done to award rental spots each year. We will submit this information and our recommendation to the Board on April 15th.

Parking Lot Oil & Rock sealing project: We received three new bids from Cullinan & Son, Spoon River Blacktop, Hoerr’s Blacktop & Sealcoating. Tazewell County Asphalt and Potter & Son’s Asphalt submitted the same bids they presented to the RTA in 2014. After much discussion, we decided to propose that the Board fund the patching of the bad sections of the Club House parking lot this year. We would then recommend patching the lower lake boat ramp lot next year and doing nothing to the upper lake boat ramp lot at this time. We will submit this information and our recommendation to the Board on April 15th.

30-Year Planning project: Tabled.

Reserve Study: Tabled.

Goal for 2015: Create the 30-year planning document with estimates for the next two years obtained.

Potential Projects in Next 5 – 10 Years:
