General Manager’s Report
by Daryl Johnson

The pool is finally open! We’re now gearing up for the 50th Anniversary celebration on June 29th. Check out the activities taking place that day at the bottom of page 5, and make plans to have a GREAT time attending!!

There have been several complaints about the “NO WAKE” buoy I installed this year out in front of the Lower Boat ramp area. Please be aware it was placed there to help remind skiers about the IL boating regulation, which requires boaters to operate at “NO WAKE” within 150’ of any Public Boat ramp area. Conservation police have been invited to regularly patrol our lakes, and I would hate for anyone to get a ticket. Please stay safe out on the water while boating, and be courteous to your neighbors. Enjoy your summer!!
